

## Evolution ME42 Mag Drill

42mm diameter cutting capacity.  
Suited to jobs both on and off site.

- Best seller and great all rounder.
- English quality magnetic drill with a 42mm cutting capacity with a powerful 1200W motor. Quick release height adjustment which allows drills to be used at full capabilities.
- Twist drills 1-13mm.
- Complete with carry case.
- 12 month warranty.

### Adjustable headstock

Slide the head up and down for the ideal positioning.

### Compact & Lightweight

With a compact design and only 10kg, it's easy to move around the workshop, or for working overhead or at height.

### Handles almost any job

With 1300kg of magnetic adhesion, and a 1200W motor, this can handle pretty much any job you throw at it.

### Solid construction

Made with cast components.

### Large capacity

Takes up to 42mm annular cutter.

### Drill chuck

Ability to fit a drill chuck for the use of standard jobber drills.

### Large cutting depth adjustment

Huge amount of stroke or adjustment to cutting depth.
