So Quick. So Easy

PRODUCT PAGE

Product pages are designed to quickly give you all the information you need to decide what's right for you.

Once logged in you'll see your trade pricing as well as the amount available in our warehouse. If you need more than we've got in stock, no worries. The website will show an alert letting you know how much you'll get sent right away, and when the remaining stock is expected to arrive.

PRODUCT IMAGES

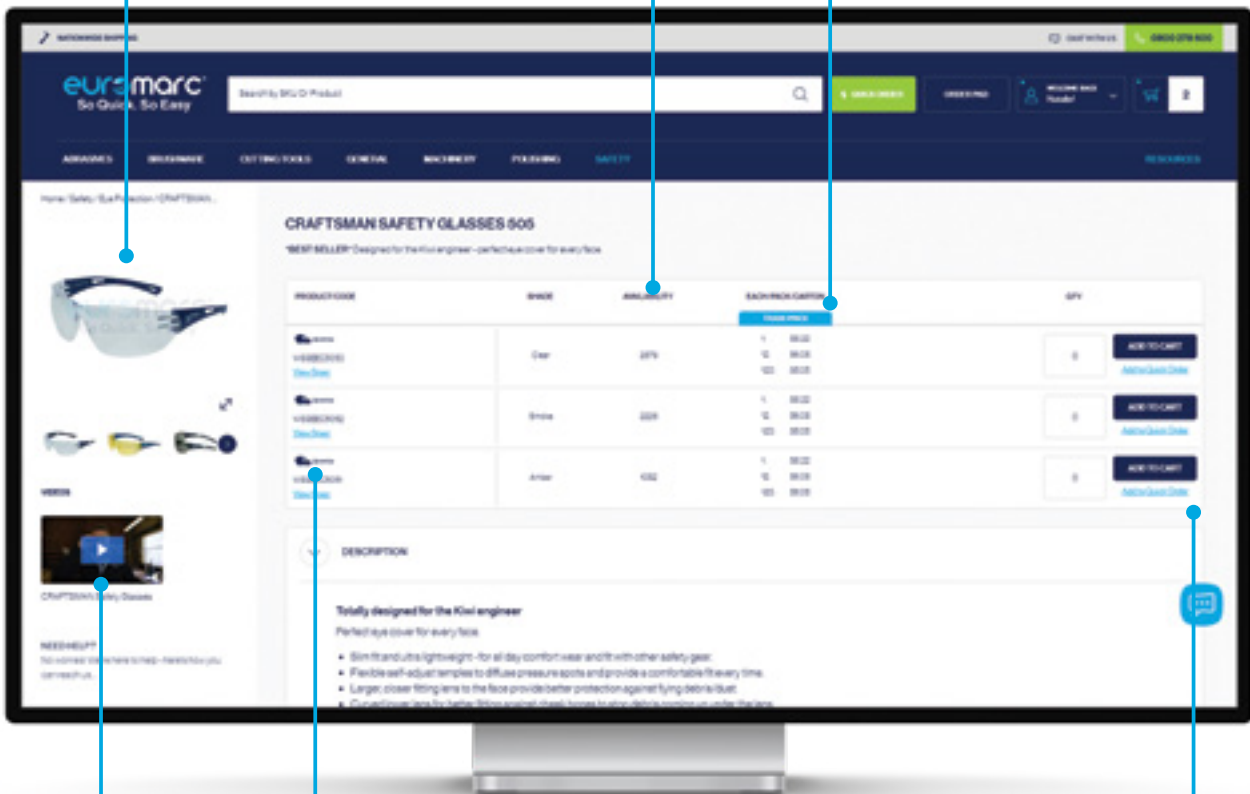

Click to enlarge and scroll through any product images.

AVAILABILITY

See stock numbers available in our warehouse for immediate delivery. If you order more than what is available, the QTY shows when the backorder will be approximately available.

TRADE PRICING & QUANTITY DISCOUNTS

Easily view your trade pricing and quantity discounts.

PRODUCT INFO & DOWNLOADS

View relevant product videos or download PDF data sheets where available.

Any products marked with the QuickShip logo are guaranteed for overnight delivery.*

ADD TO QUICKORDER

Don't forget to add your favourite products to the QUICK ORDER list for faster ordering!

QUICKORDER™

Quick Order (Favourites List) is a list of your frequently ordered products all in one place. This saves you navigating the website to find products every time you order, saving a HUGE amount of time.

Your product list will still show all your pricing and quantity discounts, and for long lists you can filter by category or favoured products.

Simply add the quantities you need next to each product, scroll to the bottom and proceed to the checkout – so quick, so easy

AVAILABILITY

See stock numbers available in our warehouse for immediate delivery.

FAVOURITES

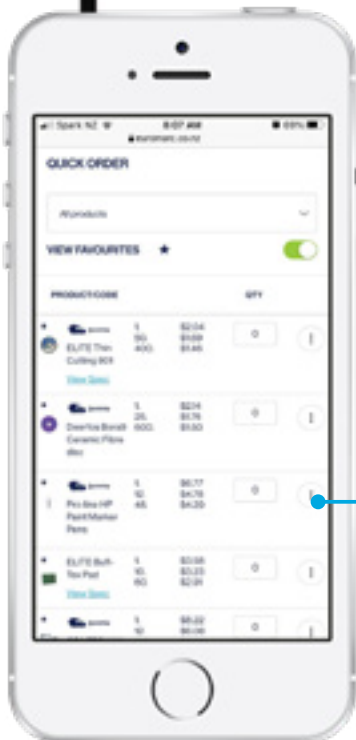

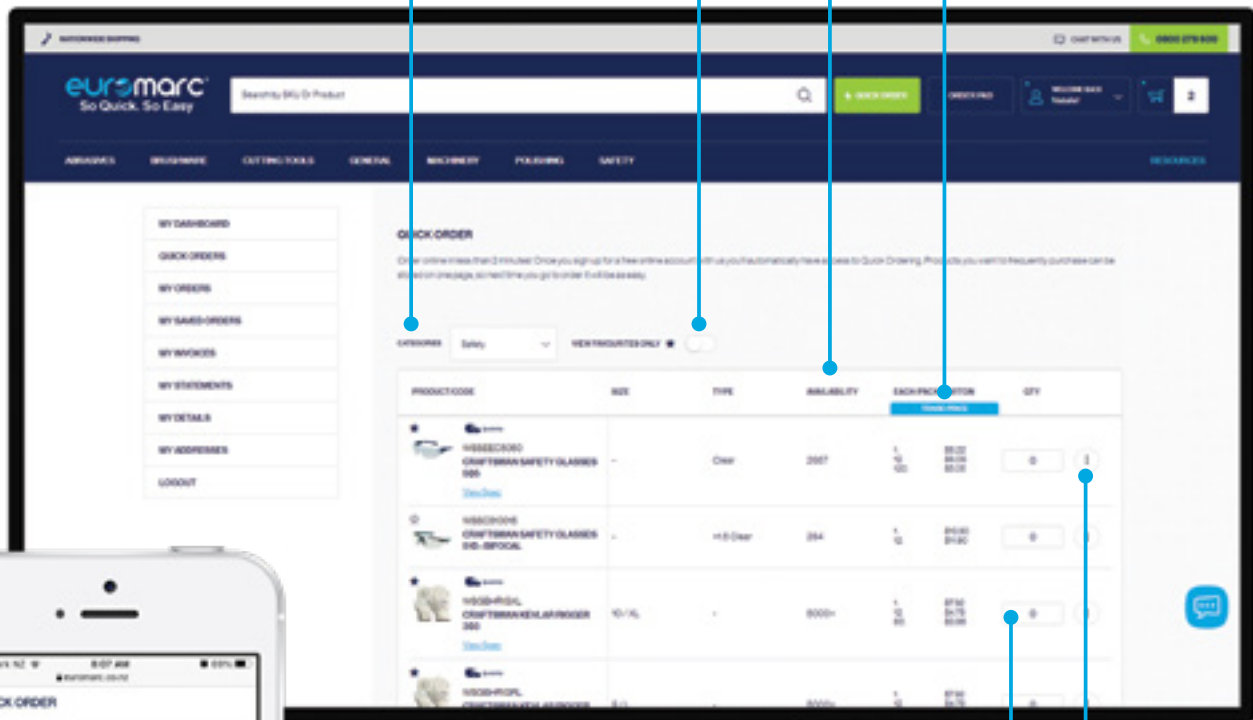

Select and filter products you've marked as your favourites (star icon).

TRADE PRICING & QUANTITY DISCOUNTS

Easily view your trade pricing and quantity discounts.

CATEGORY FILTER

Filter your product list by category.

MOBILE VIEW

FAST ORDERING

Simply add the quantities you need, then scroll to the bottom of the page and click the green **ADD + CHECKOUT** button and head straight to the checkout.

VIEW/REMOVE PRODUCTS

View or remove products from your Quick Order list.

ORDER PAD

If you're ordering from a list of product codes, or from browsing our hard copy catalogue, Order Pad is the way to go.

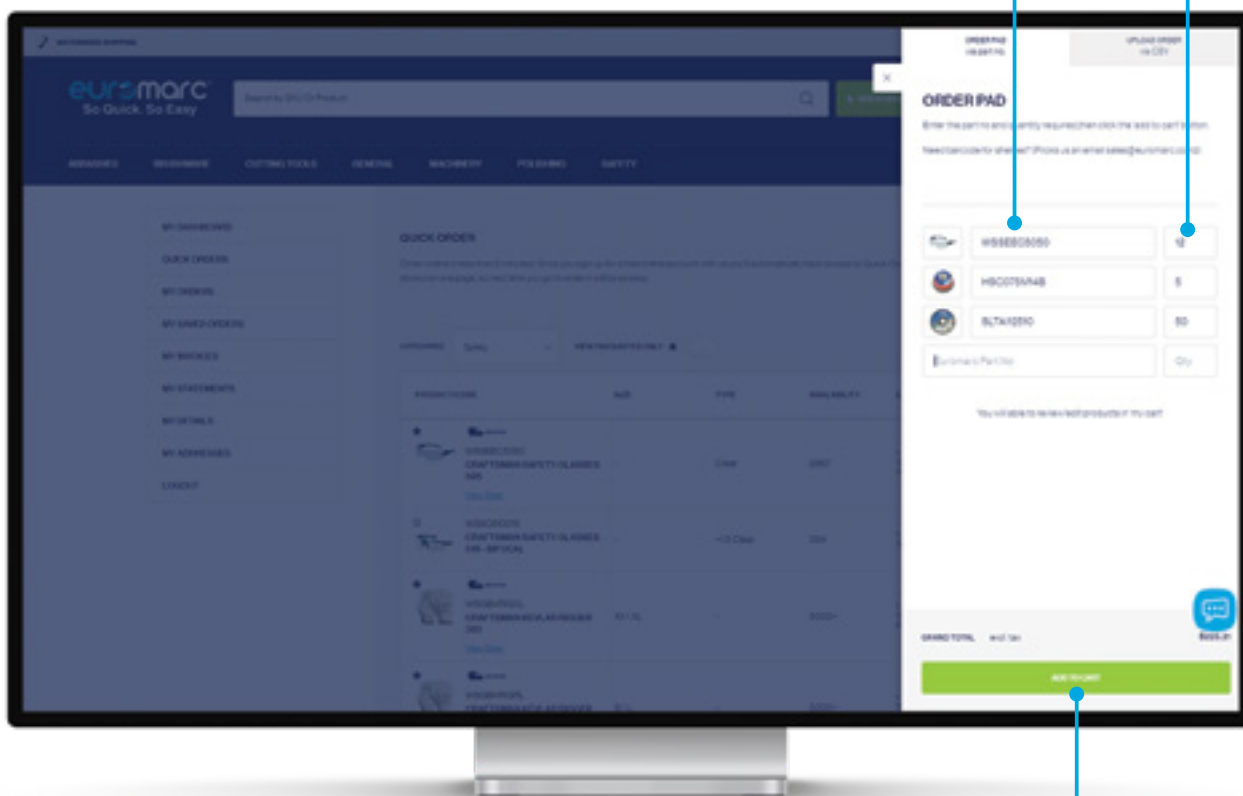

Instead of searching the website for your products, simply head to Order Pad, enter the product codes and the quantities needed, then proceed to the checkout – another quick and easy time saving tool!
